

## Gift in a Bottle

### Materials list:

- 2L clear plastic (PETE) bottle
- Exacto Knife or scissors
- Small flexible or flat gift items
- Extra ribbons, tinsel or paper grass and tissue paper (optional)

*The gift pictured is for a Baby Shower and contains teddy bear, soft spoons, baby lotion, cloth, hair accessories and tinsel grass for bottom decoration.*

### Directions:

1. After removing the label and making sure your bottle is clean and dry, use the scissors or Exacto knife to cut a 14 cm slit in the back of the bottle (along the label glue line is best).
2. Add tinsel or decorative paper to the bottom of the bottle through the slit. Continue to add the gift items and arrange attractively.
3. Cover the cap with tissue paper and ribbon or leave plain as pictured.

### *Suggestions:*

Modify the contents of the bottle to suit the theme:

- Birthday: Fill with items appropriate for a girl or a boy and tie a helium balloon to the cap top.
- Christmas: Fill with candy canes, ornaments, stickers, gift tags etc.
- Crafter: Fill with their favourite craft supplies for example a sewer might like items such as buttons, tassels, cording, ribbon, threads, needles, pins and a novelty pin cushion.
