Introduction

The Essex-Windsor Solid Waste Authority requires the supply of **one (1) Heavy Duty, 3 Point Hitch, Horizontal Flex Wing Rotary Grass Cutting Deck** to be used at various Essex-Windsor Solid Waste Facilities around the County of Essex.

The Heavy Duty, 3 Point Hitch, Horizontal Flex Wing Rotary Grass Cutting Deck will be used for cutting grass at the Regional Landfill, closed Landfill #3 in Lakeshore and closed Landfill #2 in Kingsville. It is estimated that the mower be used approximately 200 hours per year.

It is the intent of these specifications to obtain a suitable tow behind mower that is designed and built for arduous, heavy-duty service capable of safely working on a 4 Horizontal to 1 Vertical slope for grass cutting operations at properties managed by the Essex-Windsor Solid Waste Authority.

The equipment shall be a new, unused, 2020 or 2021 model. The vendor shall provide responses in areas provided in the specification page found later in the RFQ.

Prices will be F.O.B. the Regional Landfill located at 7700 County Rd. in Essex.

RFQ Requirements

Although Vendors are encouraged to attach any additional notes or documents to this package; the Authority requires that Vendors use the format and sheets provided within this package.

Authority Contact Information

Any questions regarding this RFQ for the supply of **One (1) Heavy Duty, 3 Point Hitch, Horizontal Flex Wing Rotary Grass Cutting Deck** or specifications should be directed to:

Essex-Windsor Solid Waste Authority
