

RECYCLING RECHARGE

Back To The Basics

Set Out By 6 a.m.

On your scheduled collection day.

Keep'em Separate

Paper products and containers must be separated by you.

Size Right

Oversized cardboard must be broken down no larger than:
30" x 30" / 76 cm x 76 cm

Normal collection occurs from 6 a.m. to 6 p.m.

Only **PAPER** in the **Red Box/Cart**.

Only **CONTAINERS** in the **Blue Box/Cart**.

Mixing paper and containers in the same box/cart is considered '**contaminated**' and will **not be collected**.

Smaller boxes can be 'nested' inside each other. No larger than the size of a **Red Box**.

Remove shipping peanuts, air pillows, or plastic wrap **prior to recycling** boxes.

Follow all EWSWA recycling guidelines to ensure your recycling is collected!

Since the 2020 Plastic Bag Ban our recycling product is much cleaner - a substantial improvement! Thank you for your support and keep up the good work!

The Oops Sticker

Look for an 'Oops Sticker' if your recycling was not collected. The 'Oops Sticker' will provide feedback on recycling issues.

Free Recycle Coach App

Your collection schedule at your fingertips! Great for recycling schedule updates and delay notifications - but the **best feature** is the '**What Goes Where**' search function. Don't know if a product you have at home is recyclable? Just type it in 'What Goes Where' and get your answer! Download at the App Store and Google Play.

Recycle Loop - It's Not What You Think

This international symbol is **not regulated**. It means 'recyclable where facilities exist'. It does **not** mean that the product is recyclable in your local recycling program. For product recyclability check: the Recycle Coach App, ewswa.org, or your 2021 collection calendar.
