ADDENDUM #1

February 14, 2022

REQUEST FOR PROPOSALS

Engineering and Construction of a Concrete Push Wall Extension
in Transfer Station #2, located in the Town of Kingsville

Issue Date: Monday, January 31, 2022

Closing Date: Thursday, February 17, 2022 – 2:00 PM

On-Site Meeting: Tuesday, February 8, 2022 – 10:30 AM

Statement of clarification:

At the site meeting on Tuesday, February 8, 2022, the project objectives were discussed with attendees.

1.0 OBJECTIVES

- 1.1 To extend the concrete push wall inside the transfer station to contain refuse and prevent damage to the building structure and siding,
- 1.2 To minimize or eliminate refuse from spilling over and falling behind the push wall;

Proponents are advised that the Objectives shall be as per the issued RFP. As a point of clarification to Item 1.2, **No additional design or construction of a secondary containment device on top of the wall to prevent debris spillage is required under this RFP.**

Proponents are advised that the objectives shall also include **the repair of two (2) existing holes/damaged areas of the existing west building block wall as part of the work. These areas are approximately 3-4 square feet in size. Repair methods with either block or concrete is acceptable.**

2.0 TIME TABLE – RFP CLOSE DATE & TIME

Correction to Item 5.0 Time Table RFP Close Date & Time on page 4 of the RFP document:

The RFP Close Date & Time is Thursday, February 17, 2022 at 2:00 pm
