4

NO PLASTIC BAGS in your recycling!

All paper products above must be EMPTY (No Lids / No Food / No Liquids).

Lakeshore Garbage Collection

Please keep your garbage properly secured - tie plastic bags, and make sure metal or plastic lids are fastened tightly. This prevents garbage from littering our neighbourhoods on windy days. Thanks!

- Your garbage will be collected weekly on Monday, Wednesday or Thursday. We request that you locate your area on the map below and identify which day your area will receive weekly collection - look for symbols.
- Place **GARBAGE** out for pick up the **NIGHT BEFORE** your scheduled collection day. Do **NOT** place garbage in roadway.
- Large Items & Furniture: Will be picked up on your regularly scheduled garbage day (with the exception of white goods). Items such as box springs, mattresses, couches, chairs, and similar materials can be put out on any regular garbage day.
- **NON-COLLECTIBLE Waste:** Waste that is deemed non-collectible includes: Ammunition, animal carcasses, animal waste, appliances, automotive parts, bricks, combustibles, chemical waste, computer equipment, concrete, construction & demolition waste, explosives, industrial waste, liquid waste, medical waste, metal items, pallets, paint products, renovation debris, syringes, televisions, and tires. These items are not garbage and will **NOT** be collected – check index for Public Drop Off information.
- If you have questions regarding your garbage collection please call the Municipality of Lakeshore at 519-728-2700.

Belle River - Detailed Map Area 1 and 2

(see previous page for larger map)

Hydrant Flushing: Hydrant flushing is a normal maintenance procedure and may result in customers experiencing rusty or milky water conditions. Please check when running water and if discolouration occurs, run cold water taps until the water clears. Hydrant flushing may occur between the hours of 7:00 AM and 3:00 PM.

All customers should note that flushing of watermains may be required without notification at various times throughout the year in order to ensure water quality. Thanks for your cooperation!

Yard Waste Collection

Basic Collection Requirements:

- All areas will receive TWO (2) yard waste pick ups per month indicated by the yard waste bag (symbol). Please place your yard waste out the NIGHT BEFORE your scheduled collection day.

Area 1: April 20 to November 30

Area 2 & 3: April 27 to December 7

Area 1

Area 2 & 3

- If you must place grass clippings out, put them in garbage pails. Do NOT use plastic bags.
- Grass clippings will only be collected from April to December on your scheduled yard waste collection day. Grass clippings placed out for regular garbage collection will NOT be picked up.

The only **ACCEPTABLE CONTAINERS** for Yard Waste are:

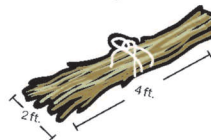

- Paper Yard Waste Bags
- Cardboard Boxes
- Garbage Cans / Pails

No Plastic Bags for Yard Waste!

Yard Waste Preparation:

- Yard Waste is defined as (grass, leaves, garden trimmings, brush & branches)
- **Tree / Hedge Trimmings:**
Cut in 4 ft. lengths (max. diameter 2 ft.) and bundle securely. Not to exceed 45 lbs.

Large tree trunks or stumps will NOT be picked up.

- **Vegetation / Garden Waste:**
Flowers, vegetable plants and fruit should be put in acceptable containers for collection (remove soil from roots).
- **Christmas Trees:**
Remove ornaments, bags and stands. Recycle your tree at one of the designated depots (see January).

← **Look for the Paper Yard Waste Bag (symbol).** It will indicate the date of your Yard Waste Collection Day.

Missed Garbage Collections

Missed collections are upsetting, but there is usually a reason why material was not collected as expected.

To ensure your materials are collected, please ensure they are:

- In acceptable containers
- Out the NIGHT BEFORE your collection day
- Within the weight limit of 20 kg (45 lbs)
- Not hidden behind a vehicle, snow bank, or other obstruction
- Free of prohibited content (e.g. hazardous or construction/renovation waste)

Other reasons for missed collections are:

- Holidays, please see calendar for updated dates
- Unacceptable containers, i.e. plastic shopping bags
- Not scheduled for collection that particular day
- Non-collectible waste i.e. computer equipment, televisions, renovation debris, animal waste, paint, medical waste, tires, concrete, appliances and metal items.

If an item is not collected for reasons other than the above, please contact Lakeshore at 519-728-2700. **Please do not leave uncollected material at the curb while you are resolving the problem.**

If you have any questions, call **Lakeshore 519-728-2700.**

Lakeshore's Public Service Unit

Before you make a trip to Town Hall, try contacting Lakeshore's Public Service Unit (PSU). The PSU provides a one-stop shop for resident and customer inquiries. They'll answer general questions and connect you to specific departments for more info. **Call or email the team!**

CONSIDER THE HIGH COST OF FOOD WASTE

When you waste food, you also waste all the resources it took to get it to your kitchen - the water for crops and livestock, the packaging, and the fuel to power the tractors and trucks to get it to the store. Canadians waste \$1,300 of food per year. Wasting food is bad for the environment and your wallet!

COMPOSTING

Food is a resource and should never be wasted. Buy a **backyard composter** for your veggie scraps - it's easy to make your own compost!

Burn Permit Reminder

Before you plan your next fire or open burn, remember these guidelines:

Burning must be limited in size, depending on the fire type. Some fire types require a burn permit.

Access to water or other method to extinguish a fire is required.

No burning of leaves, phragmites, garbage, or shingles, are permitted.

Residential campfires may only burn clean, dry wood or charcoal.

Burning must be avoided if high winds could cause excessive smoke on neighbouring properties.

IMPORTANT ANNOUNCEMENT

As of August 28th, 2024 - Essex County municipalities and the City of Windsor's recycling programs will be managed by Circular Materials (CM). CM is the administrator of the common collection system and a not-for-profit organization that is committed to building an efficient and effective recycling system in Ontario.

How Does This Change Affect You?

If you have recycling program questions or collection issues, please contact Circular Materials directly (see right), as the Essex-Windsor Solid Waste Authority (EWSWA) will no longer be administering this program.

Property Standards and RV/Trailer Storage Reminder

Lakeshore's Bylaw Services Division is reminding residents about property standards and RV/trailer storage.

All property owners must:

Trim, cut, or destroy weeds or grass that are more than 20 cm in height.

Keep public property such as roads, sidewalks, and sewers free of grass clippings.

Store a maximum of two recreational vehicles or utility trailers in side or rear yards, or up to 14 days in driveways.

Snow Safety

With winter weather here, check out these tips for keeping local roads safe for our snow plow drivers and other road users:

Park vehicles in driveways and off local roads whenever possible. If vehicles are blocking the roadway, Lakeshore staff may ask for vehicles to be moved.

Keep garbage and recycle bins on your lawn and off the roads. Ensure they are visible from the road.

Maintain a safe driving distance from all snowplows and service vehicles.

Refrain from shoveling snow onto roads.

Christmas Tree Recycling

Natural Christmas trees are a great addition to any holiday celebration but they do not go by the road or in the garbage. **Christmas trees can be dropped at these convenient locations from December 25 to January 31:**

- Comber Community Centre
- Centennial Park
- Leffler Park
- Fire Station 2 (Shanahan Park)
- Libro Community Centre

For more information, call the Public Service Unit at 519-728-2700

Help Keep Sidewalks Safe!

Remember, all property owners are required to clear snow and ice from sidewalks adjacent to their property within 8 hours of accumulation.

MAKE BROTH

Vegetable scraps can be turned into a broth - you can make a great bone broth with meat/ poultry bones as well.

MEAL PREP

Prepping some meals in advance can help with busy nights and prevent expensive spending on takeout!
